

ACCESSORI ORIGINALI

Automobili Lamborghini has been building super sports cars since 1963. From that moment on, our dedication and passion led us to build true art masterpieces. Each vehicle is built by hand at Sant'Agata Bolognese and blends state-of-the-art manufacturing technology and a constant strive for perfection. Our values transcend mere car production. They are also the pillar in the creation of Accessori Originali.

Featuring outstanding quality, advanced technology and the unmistakable Lamborghini design, with the utmost attention down to the smallest detail; every accessory is a statement of our ultimate goal: to consistently exceed our customers' expectations of quality and service.

You can fully express your personality with Automobili Lamborghini Accessori Originali.

BEYOND EXPECTATIONS.

LEADING-EDGE DESIGN
AND LIGHTWEIGHT TECHNOLOGY
FOR YOUR LAMBORGHINI.

EXHAUST SYSTEM

Precision engineered from high-grade titanium alloy and designed to significantly reduce weight. The Urus Exhaust System amplifies the unique growl of the engine and improves overall performance. Perfectly finished with four titanium tailpipes, ensuring that it looks as good as it performs. This system is homologated for road use and is the only exhaust on the market that will not void vehicle warranty.

RIMS AND TIRES

TOP OF THE LINE PERFORMANCE
AND MAXIMUM SAFETY
IN EVERY DRIVING CONDITION.

SET OF RIMS

Engineered and crafted at the Sant'Agata production facility, Lamborghini rims are forged to perfection from a single piece of aluminum. The result is a lighter, thinner rim that does not sacrifice strength.

WHY A SIDEWALL "L" MATTERS

Easily recognizable by their unique "L" marking on the sidewall, only OE tires have been approved and homologated by Lamborghini, as a result of accurate testing and technological commitment.

Designed to enhance your car's performance while ensuring a unique driving experience under all conditions, on both road and track, "L"-marked tires feature a special Lamborghini profile and tread design.

Main characteristics:

- the entire Lamborghini 4-wheel drive transmission (front and rear differentials) has been engineered with the "L" tires in mind;
- optimal car performance, excellent drivability and maximum safety on both road and track, thanks to the development of high-standard tire requirements (on which Lamborghini Active Vehicle Dynamics System is based).

TIRES OFFERING

Benefiting from the motorsport technological know-how, only tires with the exclusive "L" marking on the shoulder provide you with the perfect equipment for your Urus. See below available sizes and types.

SNOW CHAIN

Lamborghini's type-approved snow chains provide extra grip, handling and safety under all extreme conditions, such as snow or ice. Only available for 21" rims.

WINTER TIRES

In addition to standard and sport tires, Lamborghini provides you with the perfect winter tires: even in cold weather and on wet roads, these special tires will ensure that you get the best performance out of your car without compromising on safety. Available for 22" and 21" rims.

EXTERIOR

AND SELF-CONFIDENT.

CARBON FIBER ENGINE BAY

A high-quality 100% carbon fiber engine bay will ensure your Urus has the best-dressed V8 engine. This classic Lamborghini accessory has been designed to emphasize the aggressive spirit of the Urus.

DOOR LIGHTS

The new Lamborghini branded LED door lights provide that extra touch that doesn't go unnoticed. Be seduced by the iconic shield shown up on the world's most exclusive cars. The choice is yours.

RIM BADGE

With different designs, colors and logos to choose from, these jewel-encrusted center caps, hand-crafted by professional artisans, will make your Lamborghini unique and provide even more glamour to the wheel rims. Automobili Lamborghini Accessori Originali proposes a limited edition product combining the technological innovation of carbon fiber and the exclusivity that only real diamonds can provide. A new perception of luxury.

VALVE CAPS WITH LOGO

Specially designed by Accessori Originali, this precious set of aluminum valve caps with the bull logo are painted and laser-engraved.

SPORT SIDE STEPS

Sport Side Steps provide additional comfort and ease of access and bring a strong styling element to the design of the Urus exterior. Available in silver steel, in pure carbon fiber and high gloss black to better match the exterior details of your Urus.

USABILITY

DESIGNED TO ENHANCE
YOUR COMFORT ON BOARD
WHEREVER YOU GO.

LAMBORGHINI EYE

The Lamborghini Eye is the new universal traffic recorder developed for the Urus model. Two Full HD wide-angle lenses continuously record during driving and parking, monitoring the vehicles ahead and behind. Very useful in the event of accidents when driving or parked.

ALL SEASON MATS

The Urus is designed to stop in front of nothing, and that means things may get a little messy. The All Season Mats provide extreme protection and excellent comfort in every condition, especially when dealing with water, mud or snow. Raised edges protect the carpeting, while their design allow for an easy removal and cleaning.

CARGO LINER

The Cargo Liner is conceived to protect the trunk area of your Urus in every condition (water, snow, mud). Made of a semi-rigid material, the Cargo Liner flattens to fit snugly into the Urus. It is highly durable, waterproof and has raised edges to protect the trunk interior. Extremely easy to apply and remove for cleaning.

CARGO STOPPERS

Cargo Stoppers further protect the vehicle by preventing cargo of different shapes and sizes from shifting and sliding within the trunk during transportation.

LOAD ASSIST TRAY

Made from strong yet light aluminum, the Load Assist tray slides directly on the luggage compartment rails, allowing for an easier management of the luggages and an optimized rear space. Available on 5-seats configuration only.

ROOF BOX

Our Roof Box was conceived to satisfy all your extra cargo needs while catching your eye. It was engineered with high standards in design, storage and aerodynamics compartment. Equipped with a useful internal led light to be used in every condition.

COMFORT PACK

A soft leather cushion and a 100% cashmere blanket are available for those who want a more comfortable ride. The comfort pack is available in different color combinations.

 SAND  GREY

LUGGAGE SET

Set of four exceptionally high-quality travel bags, made of the same fine Italian leather, stitching, and Alcantara used for the upholstery in your Urus. The Standard set comes in elegant all-black leather and Alcantara with yellow or red stitching, while the Ad Personam set can be fully customized to your specification from the range of Urus upholstery colors and materials and your initials. This luggage set is designed to fit perfectly into your Urus and is the ideal accessory for day-to-day use.

SKI BAG

As an alternative to carrying skis on the dedicated crossbar, this branded bag allows you to carry them in the comfort of the cabin. Requires a 4-seat configuration to ensure sufficient space.

PET CARE

More cabin space means more possibilities. Created for pet lovers, this accessory package features a variety of items to meet your every need and expectation: safety belts for maximum protection, accessibility ramps for ease of access to the luggage compartment, and a rear seat cover to avoid wear and tear. Available individually and in various permutations.

SAFETY BELTS

- Increase the safety and comfort of your dog.
- Customized with the Automobili Lamborghini logo.
- Total safety is guaranteed by the TÜV approved carabiner clip.
- Featuring an elegant and safe design.
- Available in 4 sizes (S-M-L-XL).

PROTECTIVE SEAT COVER

- Protects the rear seats from damage, scratches, liquids and dirt.
- Made of a durable cotton/polyester fabric.
- Waterproof and easy to install.
- Easy to clean thanks to the practical fabric.

PET RAMP

- The Pet Ramp is designed for the comfort of the pets and the convenience of their owners.
- It is portable and has a non-slippery surface that allows easy access to your car.
- Already assembled and ready to use.
- No tools or setups are necessary for installation.

CARE & SAFETY

A CAR THAT IS BUILT
WITH SO MUCH CARE
DESERVES TO BE PROTECTED.
THESE TAILOR-MADE ITEMS
FIT THE BILL.

ANTI-STONE CHIPPING PROTECTIVE FILM

Automobili Lamborghini designed this set of invisible films, applied directly at the factory and available for every model, specification, finish and version, to make sure your Urus is protected from day one.

CARBON LOOK CAR COVER

In order to enhance protection, Accessori Originali offers all Urus owners an exclusive cover in Carbon Look fabric that stretches, “breathes”, repels water and oil, blocks UV rays and is fire-resistant. The surface is finished with a sporty and elegant effect. Perfect for those who want the ultimate in terms of protection, both indoors and outdoors.

INDOOR CAR COVER

The indoor cover hugs the Urus to perfection and is made by interlock fabric. Dustproof and non-scratch, the cover sports the Lamborghini emblem and is perfect for protecting the vehicle when stored in a closed area for any length of time.

STEERING WHEEL COVER

The steering wheel of your URUS has been crafted by expert artisans over many hours of painstaking work, which is why these parts of your URUS must be protected even indoors. The steering wheel cover is made of hard-wearing stretch fabrics bearing the Lamborghini emblem and are the perfect solution for those who want to care for their vehicle even when not in use.

BATTERY MAINTAINER

Preserves the battery of the Urus and is also compatible with any Lamborghini model thanks to its innovative recognition software.

THERE ARE COUNTLESS WAYS TO SHOW HOW MUCH YOU LOVE YOUR LAMBORGHINI.

Use only original Lamborghini replacement parts on your vehicle.

Lamborghini declines any responsibility for damage caused by the use of other parts or accessories.

Please note that not all replacement parts and accessories are permitted or available in every country.

Post-installation of some articles depends on the standard equipment on your vehicle and its year of manufacture.
